

March For Life 2024

Pulse Life Advocates is securing several buses to take pro-life lowans from around the state to the March For Life in Washington DC.

The annual rally will be held on January 19, 2024. By our presence we are marching in celebration that the US Supreme Court has finally reversed Roe vs. Wade.

Do you want to ensure your kids become pro-life adults?

Send them on the March for Life! Pro-life adults have told us what a powerful, life changing impact attending the march had on them.
