

Founded in 1972, Pulse Life Advocates is the longest-standing, original non-profit, pro-life organization in Iowa.

We're dedicated to informing, educating, and inspiring a new generation to value the sanctity of all human life from fertilization to natural death.

Pulse is at the state capital during session, in classrooms, and at events across Iowa throughout the year. You can see us at the Iowa State Fair, at the March for Life in Washington DC, at the annual Prayer Rally, and at the Iowa March for March.

Bringing LIFE Issues to Light

Our mandate is to defend the right to LIFE from fertilization until natural death.

The battle against the throw away culture of death is being won and hearts and minds are changing. But there is more work yet to be done and we will not give up until all abortion is eradicated.

Defenders of the Defenseless

Leave your mark on the world long after you are gone with a Legacy Gift to Pulse Life Advocates.

“As a physician, I am acutely aware of the absolute miracle of life. That matter can self-organize and propagate under a fixed set of rules (not random or accidental) is proof of God's existence. We must fight to protect this miracle. I support Pulse because this is the essence of their work.”

~ Dr. Mark Purtle

WHAT IS LEGACY GIVING?

Legacy Giving is a uniquely meaningful and impactful way for you to create and shape your legacy.

A gift to our Legacy Endowment at the Catholic Foundation of Iowa will support our work well beyond your own lifetime here on earth.

By leaving a Legacy Gift to Pulse, you invest in the future of Pulse Life Advocates, the oldest and most active pro-life organization in the state of Iowa.

“This organization operates with great integrity and is worthy of support. From the political arena to the March for Life, from speaker podiums, to classrooms, to the Iowa State Fair, the value of Pulse Life Advocates is immeasurable.”

~ Marilyn Lane

WHY SUPPORT PULSE?

Since 1972, Pulse has been on the front lines battling the culture of death.

Although we don't have a budget the size of the abortion industry's, we are able to leverage our limited resources to have an outsized impact in Iowa.

We believe that all life was created by God for a unique purpose and has inestimable value and worth.

Roe v. Wade was overturned but there is still much to be done in Iowa. Until abortion becomes unthinkable, we will not give up.
