

## March For Life 2026

Pulse Life Advocates is securing transportation and a hotel to host pro-life lowans from around the state to the March For Life in Washington DC.

The annual rally will be held on January 23, 2026.

Even though we have been victorious on the federal level, abortion is still legal in many states. We will continue to march until all life is protected in this country.

Please join us for this important event. Our voices must be heard.

## Defenders of the Defenseless

Since 1972

## Why We March...

We march to make our voices heard.  
We march to support our legislators and each other. We march in support of the tiny, helpless unborn - because they were created in the image and likeness of God and their lives matter.

***We march because it is the right thing to do.***

The March for Life is an opportunity to proclaim the value of all human life and advocate for the protection of life in our law.

## Seating is limited!

***Seating is limited to the first 50 people who sign up.*** After we fill our bus, we will put you on a wait list.

***Send in your registration with payment right away to secure your spot.***
